City of Santa Ana Special Recall Election Information

There are two questions on the City of Santa Ana Special Recall Election ballot:

- The recall question asking if the current City Council Member should be recalled
- The contest to select a new City Council Member if the current City Council Member is recalled

A **“Yes”** vote on the recall question means the voter wants the incumbent City Council Member recalled (removed) from office.

A **“No”** vote on the recall question means that the voter wants the current City Council Member to remain in office.

The second question on the ballot considers those candidates who are campaigning to replace the incumbent City Council Member if she is recalled. A voter may vote for one of those candidates who are listed on the ballot or may write in the name of a qualified write-in candidate.

You do not need to cast a vote for each section. You may cast a vote for either section or both.

If more voters mark “YES” than “NO” on the recall question, the current City Council Member will be removed from office. If more voters mark “NO” than “YES”, the current City Council Member will remain in office.

If the current City Council Member is recalled, the candidate who receives the most votes will be elected as the new City Council Member. That person can be sworn in as the City Council Member once the results of the election are certified.

The following pages contain:

- The **Statement of Reasons** for the proposed recall of the City Council Member, submitted by the proponents of the recall
- The **Answer to the Statement of Reasons**, filed by the current City Council Member
- **Candidates’ Statements***
- **Practice Ballot**

**All Candidates’ Statements are printed exactly as filed. Candidates’ Statements in this guide are volunteered by the candidates and paid for at their expense.*

- By law, U.S. Census data cannot be used to determine eligibility for government benefits

**STATEMENT OF REASONS FOR THE
PROPOSED RECALL OF CECILIA IGLESIAS**

The grounds for the recall are as follows:

Ms. Iglesias' Republican Party-driven agenda led her to vote against affordable housing while the residents of the City of Santa Ana are suffering from a housing crisis.

Ms. Iglesias doesn't condemn President Trump's cruel deportation policy towards immigrants, many of who are part of the Santa Ana Latino and Vietnamese communities.

Ms. Iglesias supports President Trump's policies of separating children and families at the border and building a wall that will cause division without improving border security.

Ms. Iglesias posted a video advocating for the complete "DEFUNDING" of the Santa Ana Police Department.

Ms. Iglesias opposed revenue initiatives supporting after-school programs, infrastructure, homeless services, and public safety.

Ms. Iglesias fails to see the need for homeless shelter beds in order to legally and humanely enforce the "No Camping" ordinance that would make our communities safer.

Ms. Iglesias advocated for CHARTER SCHOOLS as a SAUSD Trustee.

As a Council Member she continues supporting charter schools that will lead to a loss of local school revenue of \$10 million.

Ms. Iglesias voted "NO" for the \$400 thousand payout to the former city manager but then voted "YES" on the new city manager's contract including a possible \$500 thousand payout.

Governing Board Member, Rancho Santiago Community College District

Much is at stake: Crime, homelessness, education and infectious diseases must be addressed so our neighborhoods are safe and our children have a promising future.

I have been a Santa Ana homeowner for over 40 years. I believe in keeping families safe from crime. I have local law enforcement support. I serve on the Sheriff's Latino Advisory Committee and previously on the District Safety Committee. Together we will make changes to bring a higher quality of life.

As a teacher, educator, and Trustee I expanded the nursing program at Santa Ana College to prepare students to earn competitive salaries. As Vice President of Rancho Santiago Community College District Board, I represent various neighborhoods.

Once elected, I will:

Collaborate with our police officers for safer neighborhoods.

Alleviate homelessness burden on Santa Ana.

Advocate for street maintenance, parks, and business growth.

**ANSWER OF CECILIA IGLESIAS TO
STATEMENT OF REASONS FOR THE
PROPOSED RECALL**

OPPOSE THE RECALL

Dear Santa Ana Voter,

A petition was submitted for my removal from Santa Ana City Council. This Recall Petition was crafted by individuals who oppose my vote to protect our city from bankruptcy, who want to boost their salaries and pensions at the cost of your own security and the quality of life in Santa Ana.

On December 11, 2018 I took an oath to defend our city from destructive forces, protect our financial resources, and faithfully provide public safety and needed services to all Santa Ana residents.

My commitment is to eliminate vice and vagrancy from Santa Ana, protect our neighborhoods, maintain clean streets, create safe parks, and ensure City Hall lives within its means, like every household in Santa Ana must do. I will seek Unity to solve Santa Ana's challenges. I support parents' choice in their child's education. I will always Put Residents First.

Santa Ana has been my home since 1979. Next to God and my family, my loyalty and love is to Santa Ana residents. Education, hard work and honesty earned me the trust and respect of over 21,000 Santa Ana voters, who chose me to represent them on the city council.

Please join me to oppose this recall.

Respectfully,

/S/ Cecilia Iglesias

Cecilia "Ceci" Iglesias

Councilmember, City of Santa Ana

5228

CECILIA IGLESIAS

Santa Ana has been my home since 1979. Next to God and family, my loyalty and love is to Santa Ana residents.

In 2018, Santa Ana residents elected me as their councilmember for Ward 6. I swore to defend Santa Ana from destructive forces, protect our financial resources, and faithfully provide public safety and needed services to Santa Ana residents.

Unfortunately, the Police Union president decided that receiving a \$25 million raise from Santa Ana taxpayers was more important than the quality of life of our hardworking residents.

I voted against this raiding of city resources because it jeopardizes the city's finances and limits quality services for residents. This decision made me a target for this recall by the Police Union; costing taxpayers \$700k.

Please join community leaders and businessowners; Vote No on the recall. United we will send a strong message that Santa Ana will stand against corruption and greed.

Voting No means:

No to the power grab at city hall by Special Interests.

No to future tax increases in Santa Ana.

My commitment is to defend you from those seeking their own interests at the expense of our people.

Thank you for your support. Vote No on the recall. United for a Better Santa Ana.

**CITY OF SANTA ANA MEMBER OF THE
CITY COUNCIL, WARD 6, SHORT TERM**

THAI VIET PHAN

Planning Commissioner/Attorney

As a Santa Ana homeowner and longtime resident, I've seen firsthand the need for real change at City Hall, not more broken promises and politics as usual.

As a local government attorney and Planning Commissioner, I have the expertise to make tough calls that will improve our city and keep us safe. I will stand up for residents, listen to our neighborhood leaders, and as your Santa Ana Councilmember, I will fight each day for our community.

We need real, compassionate, and safe solutions to the homelessness crisis. This means professionally managed care facilities, not ill-equipped and overcrowded County shelters. Importantly, we must ensure that Santa Ana does not disproportionately bear the brunt of this Countywide epidemic.

We will address housing affordability by promoting new developments that keep the American Dream within reach for Santa Ana residents, while maintaining the character of our neighborhoods and protecting property values.

We will also implement more responsible community policing to build trust between our officers and residents and work to reduce 911 response times.

By serving our community—not special interests, I will be a strong voice for the City of Santa Ana.

I hope to earn your vote on May 19, 2020.

ANGIE CANO

Businesswoman/Planning Commissioner

I'm a Santa Ana native who has attended school and resided in Ward 6 for 19 years. Raised by immigrant parents, I became the first in my family to attend college and to graduate with a Bachelor's degree in Economics.

In order to give back to the city that has given so much to me, I have served on many boards and commissions in Santa Ana. Most recently with the Santa Ana Community Redevelopment & Housing Commission, the Orange County John Wayne Airport Commission, and currently serving as Planning Commissioner for Ward 6.

This recall is an attempt by the Police Union President to usurp our city's democracy. He seeks to fill his pockets with taxpayer monies. For this reason, it's vital that we have representatives that are not bought by special interests and put the interests of our community first.

I urge you to vote No on the recall.

The recall will cost Santa Ana taxpayers (you) approximately \$650,000. This shameful move will only benefit the greedy and put our city resources in jeopardy.

We need to take a stand against these special interests.

Vote No on the recall to ensure Santa Ana money benefits Santa Ana residents.
